

New Romantic Suspense Novel Delivers High-Stakes Danger and Heart-Stopping Romance

Witness in the Shadows blends relentless pursuit, buried secrets, and a deadly game of survival.

March 16, 2026 - [PRLog](#) -- Romantic suspense readers won't want to miss *Witness in the Shadows*, a gripping new novel packed with pulse-pounding danger and emotional depth, the story follows a former FBI agent who has spent years hunting monsters—until one turns the hunt on her.

Alexa Kyndall has built her career on bringing criminals to justice. Focused, fearless, and relentless, she has never allowed herself to become distracted—or vulnerable. But when a child witnesses a brutal murder, Alexa is drawn into a deadly investigation that places her directly in the crosshairs of a calculating serial killer.

Craig Pierson never intended to be part of a federal investigation. Haunted by his own past, he is determined to protect those caught in the killer's path—even if it means working alongside a woman who has difficulty trusting anyone except her family. As danger escalates and the killer closes in, Alexa and Craig must rely on each other in ways neither expected.

With atmospheric settings, escalating tension, and a romance forged under fire, *Witness in the Shadows* delivers a powerful story of courage, trust, and survival. Fans of romantic suspense will find themselves turning pages late into the night as the hunt intensifies and the stakes become deeply personal.

Witness in the Shadows is available in paperback and e-book.

The Kyndall Family Suspense Series: Bound by blood, tested by survival, and saved by love.
